Subject: Support Uber

I would like to state my support for Uber as a user and consumer of their product. Uber is an industry disruptive product but it is the way of the future and the convenience is unmatched. I plan to continue to use Uber over other transportation methods.

Regards,  
Seth King

You guys are bigots, let Uber stay in SC it benefits college students tremendously and saves lives lost when drunk people get behind the wheel of a car. The Taxi service in SC is miles below Uber in terms of quality as well. Thank you.
